Greetings Pastor & Members

June 2017

Happy to report Jane & my last medical report says we were in good health. Thank you for your prayers. Things have been busy since our last letter. Mission conferences in 9 churches and started a new bible study in La Laja. Our church members had a great time on visitation with the missionary families and the missionaries with members. The testimonies they shared in the services will last a life time. I remember many things I learned from members of the churches we preached in, and still use today on the field. Souls were saved and; friendships formed until Jesus comes. We had 8 missionary families and 1 Evangelist. The new missionary families were taken on for support by 5 of the 9 churches. Many of the missionaries already supported received small raises.

The new bible study in La Laja has given us 19 saved and 3 baptized. For those of you who receive our letter on the internet I will post some pictures of La Laja and the missionaries. For those who receive our letter in the mail we will send as many photos as possible.

The churches in: Loma Alta, Neveo Leon Unido, Cierro Azul, Vera Cruz, Santa Rosa, La Altameada, Hualahuises, Iturbide and La Chona report 42 saved and 9 baptized. Plus 19 saved in La Laja and 3 baptized.

Juan Pablo Sanchez, son of Jose and Leonor, of La Laja needs your prayers. He will most likely die soon. He is totally bed ridden with many health problems. He is saved but cant be moved for baptism. Pray God will comfort this brother.

List of missionaries in this years conferences: Armando Anaya and family to Peru, Jose Luis Mares and family to Argentina,

Joel Mina and family to Panama, Ricardo Lozano and family to Argentina, Andres Luna and family to Brazil, Eladio Rangel and family to the Jews in Poland, Jesus Paloma and family to Korea, Joel Sanchez and family to Japan and Ignacio Guillen and family evangelist in Mexico.
