"To preach the gospel in the regions beyond you" II Corinthians 10:16

Dear Pastor and Praying Friends,

Mother's Day is always a highlight for the ministries here. We recognize the importance of mothers and their sacrificial service to families and our church family. The Mother's Day service has always been one of our highest attended services and it was an opportune time to reach many with the gospel. At Ka Fuk, we had over 30 mothers in attendance and several of them were unsaved. We were so thankful for the many who helped to plan the special gift and special crafts. It is always a blessing to see our church family working and serving together to reach others for Christ. We pray that, as the seed was planted, the gospel would take root and grow to fruition of their receiving the Lord as Savior.

For Liberty, Mother's Day was also the day we celebrated our church's 9th anniversary. It is unbelievable how fast time flies! We still remember the first service where we had 11 people in church. **This service was the highest attendance we ever had with 81 in attendance and 13 new visitors.** It was literally standing room only in our 1000 sq ft. flat! In addition, we had a tremendous "boodle fight" fellowship dinner, where all the food is laid out on banana leaves. Although, we did not see any salvations on that date, **we have seen 5 salvations in the subsequent weeks.** Pray for us as we continue our follow up efforts for souls from both ministries.

Short Trip Home

This July, we will be returning to United States for a short visit with family. We are very excited for this opportunity as it has been 3 years since we last returned and everybody is excited to meet baby Ashley (22 months) for the first time. Similar to our last visit, this will be a brief stay (returning to the field in late August) but we were able to schedule in a few churches and we are looking forward to updating them on our ministries here. **Please pray for our travels as well as the ministries in Hong Kong. We are thrilled that Ka Fuk will have several men to fill the pulpit and oversee the work and Bro. Archie Abad will be with Liberty. Please continue to pray for his visa approval.**

Thank you for your faithful prayers and support. We know that without them, we would not be able to serve here.

In Christ,

Andrew, Elena, Alexander, Angela, Anthony, and Ashley Au
