May/June Prayer Letter

Dear Pastors and Co-Laborers in Christ,

We have been running to and fro across the country from Jan.-June covering many miles and seeing many friends. While most of our churches are serving faithfully, there is no doubt that many of our churches are struggling. I want you to know that as you pray for your missionaries, your missionaries are faithful to pray for you!

Our church in Russia just finished their summer youth camp. They had some new campers this year and God was glorified in the preaching. We praise God for His protection of both our weekly services and the summer evangelistic programs. All that we do now is illegal and it is by God's grace that we can continue to minister in Russia.

The signs of the times show the imminent return of the Lord Jesus Christ. We are extremely busy knowing we only have a little time left until He returns. Let's live each day like it is our last day on planet earth and if He tarries we will have been faithful.

We plan to continue our furlough until December 10, 2017. Our travels are as follows:

July- The Midwest

August/September- Northwest (our daughter Hannah is getting married in Longview, WA on

September 2nd at 2:00PM. Consider this your invitation to the wedding if you are able to attend!)

October/November- Midwest

We still have a few dates available so please shoot us an email if you would like for us to report to your church. We have enjoyed this furlough as we have been able to report to many churches that we have not been to in many years. We have been blessed as we pray we are a blessing.

Please pray for our ministries in Russia as they struggle to continue the work of the Lord under political persecution.

Yours for souls in Russia,

Ron and Kathy Reasoner
