Sept. 2017

Greetings Pastor & Members

I'm sad to report Jane had another stroke on 2nd of Aug. It was not disabling in any way but its much harder this time to get her strength back. She is about 50% recovered and getting better everyday but doctors say it could take up to a year. Jane has always been a large part of our mission work and this puts everything a step behind. Thank God for the men and women He has given us here in Mexico. We were right in the middle of D.V.B.S when this happened and they lined up to do what was needed. Forgive this letter for being a little late I will do my best to keep you informed. I know you pray for us everyday and I know you always will. Doctors say Jane should make a complete recovery over time.

Mission report: Since our last letter we have had 39 adults, 12 teens 6 adolescence saved & 9 adults ,5 teens & 4 adolescences baptized. This is above and beyond the D.V.B.S report. We were involved in many of these blessing but want to add our pastors their families & church members were just as involved as us;and more so. That makes it special.

D.V.B.S 2017: Cierro Azul, Vera Cruz reports 113 daily with 16 saved. 9 teens 4 adults & 3 children. 11 baptized & one young man surrender to preach the Word. He will be attending Bible College starting Jan. 2018. Pray for Bro. Juanito. Santa Rosa reports 84 daily 9 saved. 5 adolescence, 2 teens & 2 adults while on visitation for Bible School. Hualahusies reports 123 daily 19 saved. 5 adults, 4 teens & 10 adolescence. 1 adult & 2 teens were baptized. Iturbide reports 106 daily 7 saved. 1 adult 3 teens & 3 adolescence. Loma Alta reports 65 daily 6 saved. 2 teens 4 adolescence. Nuevo Leon Unidos reports 49 daily 3 adolescence saved & one adult baptized. This adult was saved on visitation and came forward while attending an adult class at Bible School. Altamida reports 71 daily 13 saved. 6 teens 7 adolescence. We have 3 more to finish up. Pray for all that were saved, & pray we can keep them faithful in service for our Lord.
