For the second time in two years God has opened a door for us to serve in Africa. This time we are replacing **John and Marcia Riggs** in **Zambia**. The work that we are watching over is located in the third largest city, **Ndola**, right on the southern border of the **Congo**. While here, we will be preaching, teaching Sunday School, discipleship sessions, Bible Institute classes, doing evangelism, organizing events like ladies' fellowships, etc.- all the things that go along with leading a new work. The Riggs have done a good job and this looks to be an exciting group with which to work.

When we arrived, I was privileged to speak at a large fellowship meeting. Growing up with a famous name (Google it kids), I have often heard things like, "Where's Trigger?" That was **Roy**, not **Will**. "Where's Dale?" Again, that was **Roy**, not **Will**. People get us confused, but I never expected *this* (notice the banner to the left). Still don't know how it happened since the folks here never heard of either one. It made my day!

For PRAISE & PRAYER:

- * Pray for the many adjustments that we must make to living and working here, that we may fit in quickly and effectively. Every place is a new adventure! Pray that God might give us many opportunities to be a blessing.
- * Pray that the Riggs might have a 'restful' furlough.
- * Please continue to pray for our daughter Sharon and her health struggles.

As always, we thank God for your faithful prayers and support,

Will (a.k.a. Roy) & Dorothy
