January & February 2018

On January 1st we celebrated 28 years serving as missionaries in Costa Rica. God burdened our hearts for the people of this beautiful country in 1988 when Jeff and Maudie Meek visited Berean Baptist Church in Albuquerque, New Mexico where we were attending and serving. As they began to share their love and burden for the souls of the people in Costa Rica, God began to work in our hearts. We surrendered to be missionaries and were approved in May of 1988. We arrived on the field January 1st, 1990 and began language school the very next day.

The changes we have seen in this country in the last 28 years have been incredible. Some of these changes have been good but so many of them have not. We have seen materialism take over so many lives, as it has in so many other countries. So many young people have taken their eyes off of God and are now so focused on having material things that they are willing to go into debt for the things they want. Our area is full of new condominiums and young professionals who are putting their families on hold to focus on careers. For this reason we struggle to have a large children's ministry, there just aren't a lot of kids in our area. But, God, as always works miracles by bringing in new families and kids, some of them from Nicaragua, that need to hear the Gospel message of God's love for them. We have been blessed to be able to lead 4 of these Nicaraguan boys to the Lord.

Several new families have been added to our ministry this past year. New people have moved into our area and have started attending faithfully. Our evangelism outreach is strong and many lives have been changed through our witnessing program. One of our young ladies called us the other day asking if we would come witness to her boss. She is concerned about him because he has cancer and is not saved. She has been witnessing to him but since he doesn't speak much Spanish she wanted us to come witness to him in English. We have an appointment to visit him this afternoon.

We have seen the teen ministry grow this past year. Miguel is doing a great job with the teens. He was able to lead 3 to the Lord. We have been impressed to see how hard they have been working to raise money for youth camp the middle of January. We are praying that their hearts will be touched and they will make some life changing decisions. Several of them are on the wrong path and need God's intervention in their lives.

We look forward to seeing God work in 2018. Thank you for your faithful prayers and support of our ministry here in Costa Rica where God has called us.

God Bless You,
