## God with us... us with Him

Debbie and I are thanking God for all the blessings we share in Christ especially this time of year, and we hope your Christmas was full of wonder and joy as you shared in the blessing of celebrating the miraculous birth of The King! His coming as a babe in the manger fulfilled the promise of God as the Word became flesh and dwelt among us ...and they called His Name "Emmanuel ... God with us!"

The reminder of His coming the first time makes us long all the more for the time when He returns the second time to take us with Him, and we get a longing for our *heavenly* home, and we sense a longing to be with Him where He is. As Jesus spoke these words in prayer to The Father just before He was crucified; "I will that they also, whom Thou hast given Me, be with Me where I am;" He was saying "I want My children with Me."

What an amazing thought! The Almighty God of all creation wants us *with Him forever!!* Because He came to be with us that wondrous night in Bethlehem to dwell among us and give His life for our ransom, one day very soon we will go to be with Him for all eternity in the place He has gone to prepare for us!

## Many Thanks!

-- *Many thanks* to everyone who had a part in giving so generously, for your special Christmas gifts! Thank you for your words of encouragement, and for your personal expressions of love and care for us and for the work we share as laborers together for Christ. Debbie and I can't thank you enough for your commitment in prayer and partnership with us every day of the year.

Someone has said "it goes without saying, but it should never go without saying" and, especially during this time of year, we would like to say "many thanks" to each and every one of you who we know are faithful in prayer and giving, for being such a tremendous help and encouragement to us. Thanks to each one of you for your steadfast, specific prayer for us day by day in each circumstance, each success, each failure, in times of waiting and wondering, and in times when it looks like things are all but hopeless!

We are unceasingly thankful to the Lord for each of you standing beside us as we continue to strive to move forward to accomplish the work that God has for us in the days before His return. We are deeply thankful *for*, and grateful *to* each one of you! Thanks again for your faithfulness in praying for us. Praying your New Year is blessed beyond measure and as always, *thanks for making tracks with the Macs!*

Yours for souls,  
*Don & Debbie*
