January 2019

Dear Pastor and Church,

We praise the Lord for four ladies and three men who attended our church in Pavas and were saved during our Christmas services in December. These people are from Nicaragua who came to our country as refugees because of the political and social unrest in their country. They are three young couples and one adult lady of about 60 years old. We already have them doing our discipleship courses. We are looking forward to baptizing them next month of February.

In February we will be having "Friendship Month" in which we will be emphasizing the motto "*each one bring a friend*". We pray that through this program our people can bring friends and family members to hear the message of salvation of the Lord Jesus Christ.

The outside walls of the church building in Pavas and 4 SS classrooms are in need of repair because of termites. We need 90 gypsum boards to repair them. The cost of it will be \$1,200 dollars. If you can help us with \$50.00 or more for this project it will be greatly appreciated. If you can, please send it to the Missions Office with a note "Perez Church Walls."

Thank you for your faithful prayers and financial support. God bless you!

Ramon & Annette Perez
