

We are so thankful for your faithful prayers and support in 2018! This was a year full of excitement for our family. We set out for the Northwest with nothing but our family and a cargo trailer with everything we owned behind our van. We knew that the Lord was calling us to Astoria Oregon and we couldn't wait to get here! We were so blessed with a house that the Lord hid just for us, and we were able to buy. Since our arrival we have seen 3 souls saved during our summer kids club, held on our back patio! Through the year we have traveled to many meetings which increased our support, and prepared us for the work the Lord has called us to do!

Now that the New Year has begun, we will stop traveling and focus on the church plant. Our official start date for Anchor Baptist Church is April 21, 2019.

We are asking God for:

- 3 families to get saved and attend on our first Sunday
- 3 Baptisms on our first Sunday
- 1 well-grounded couple to help for one year with their pastor's blessing
- A meeting place

Thank you for praying and giving!
