"FOR THEY ARE WHITE ALREADY UNTO HARVEST ..." JOHN 4:35

April 2019

Dear Pastor House and Corridor Baptist Church,

PRAISE
1. People are remaining faithful and seem stronger in the Lord.
2. We had the Lord's table in preparation for Easter services.
3. Bro. Marian, the main worker in our church is turning into to a really good soul winner. Both he and his wife will try to find someone each week they can visit and lead to the Lord!
4. May is a special month for us. 28 years ago on May the 6th we entered Romanian for the first time. Our whole family came together and God has been good! May the 12th is Nancy and my anniversary! We will have been married 40 years! I understand that 40 is the number of testing in the Bible, so I guess we passed the test?!

PRAYER
1. I am having somewhat of a hard time trying to get two more Christian web sites up and running. I already have these in 5 languages but the Chinese one and the Japanese one is taking longer than I wish and there have been some complications. SO please pray these will get done and done right. I do not read these languages, so it is always a problem, regardless of who does it, to try and verify the accuracy of such sites. Those who are doing the translation are good people but it is a lot of work and they have other jobs as well.
2. We need special prayer for a certain situation that has arisen in our church family in our main work in Romania. Unless things change church discipline will need to be taken on one person. This person has been informed about this and we pray for repentance. This is someone that I and the brothers and sister in our church like. But he is now living a different life than before. Pray, please!

God bless you for your faithfulness and prayers and support!!!!
