July 2019

Dear Pastor House and Corridor Baptist Church,

PRAISE

- 1) The conference we held on creation science went very well and was well attended! Lighthouse Baptist Church from La Verne California came and did an outstanding job!!! They came with 14 of their young people who gave testimonies and sang in two of our churches. And their pastor, with an incredible slide presentation, explained, in an understandable way, creation science to our people!!! We appreciate and thank them for their work and preparation for this trip to help us! May our God richly bless them for their help to the Romanian people!
- 2) Our Vacation Bible School (VBS) went well with more than 40 children present! We have it for five days, starting on Wednesday with the last day being Sunday. This way we can invite their parents to come to church to see their children do a presentation in front of the church and hopefully reach their parents as well.
- 3) One of our daughters was married and an "adoptive granddaughter" was also married!

PRAYER

- 1) The church discipline in our main church, that we asked you to pray about in our last news letter, went well. Though never an enjoyable task, it was necessary and the church family was united on this. Please pray that God will work to bring repentance and healing where necessary.
- 2) We have been having some problems fixing leaks in the roof of our main work. Please pray this will be done right and solve any future problem.
- 3) Summer camp for our teens was postponed because of heavy rains. Pray for us to discern God's will on this.

Special thanks for all your prayers and faithful support for this ministry!!!
