

Papua New Guinea

Gary & Verda Keck

August – September 2019

News from Papua New Guinea: It is great to receive news that the new work in Kaisinik is doing well. The month of August they had two saved with first time visitors attending. Missionary Stan Rowe is looking after this work. The work at BBC at Number 6 is continuing to advance. They had 16 saved and six baptized for the month of August. We praise the Lord for His working in people's lives. Verda and I are looking forward to our return in February 2020.

Update on Sharon: Verda and I appreciate so much your prayers for Sharon and us. As you know from our last letter, Sharon's husband took his life leaving behind, his wife Sharon and three children, Ryan, Emily and Levi. They are now settled in a rented house. With the school year starting, they have a regular routine and a good focus. Sharon continues to work at Harvest Christian School, where her children also attend. God has supplied many of her needs as well as ours while helping her in this difficult time. As Sharon begins this new chapter in her life please continue to pray for her and the children.

Furlough travels: Please pray for our travels as winter is approaching and roads can be treacherous as we will soon head to OR, WA and ID for November – January. I only regret not being able to report to everyone, due to schedule and our time restraints. I would ask that you would make it a matter of prayer for our finances. Since arriving Stateside June 1st, I have lost \$450 a month support. Some churches have had monetary issues as other churches dropped because of a change in mission philosophy. The Lord is well aware and I want you to be aware so you will pray for this. We are grateful to the many churches that are faithful to pray for us and invest in our ministry in Papua New Guinea. Thank you for your commitment to us. Only eternity will reveal how vital your ministry is to us.

Because of Christ , Gary and Verda Keck

Received with grateful hearts:

June	\$139.31
July	\$139.31
August	\$139.31
September	\$139.31
