Greetings from Karachi. We are thankful for those supporting churches and friends that sent graduation gifts for our daughter Bimla. She is currently attending the Bible Institute here in Karachi as well as taking baking classes. Those of you interested in viewing her baking may view on Instagram at ([a_taste_in_time_cakes](#)). She helps teach in Sunday School and assists in church secretarial work. We are thankful for her willingness to help us in the ministry.

DEFENCE BAPTIST CHURCH

God enabled us to see the 18th anniversary of Defence Baptist Church last month. A family that had left the church three years ago came back to the church. The family had left the church because their daughter wanted to marry a nominal Christian. Their daughter is believer and member of the church; but was made the wrong decision and her family was supportive of her. We warned them according to the Scriptures in 2 Corinthians 6:14 that it was an unequal yoke and so they got upset and left the church. Their daughter got married, the couple had a daughter and a lot of marriage problems, the husband lost his job and has no interest in attending any church. She came to us and apologized to us and admitted she was wrong in making the decision of her marriage. We are thankful to God that not only her, but her family is back in church as well. Pray for her husband named Irfan who still has no interest in coming to church. A young man named Raja and his sister Kira's both accepted Christ as their Saviour and were baptized. However, their family in the province of Punjab has convinced them to return to them in Punjab. Please pray that they would come back as well, as there is no true church in their area.

We have started the work on translating of the Urdu Old Testament. A very extensive work, we covet your prayers for this project. The current Urdu translation has major errors and our goal is to have a proper translation that will be like the KJV. Pray for Ashkanaz who is taking a course of a Printing Press operator's assistant. Our goal is not only to prepare Old Testament but then also to print them here in Pakistan. At this point we do not have any printing press however we believe God in his timing will provide. The team that is working on translation are all members of Defence Baptist Church, they have attended the Bible Institute and God has given them the desire to work on this translation. Please pray for them, their names are Azazal, Ashfaq, Tahir, Noman and Ashknaz and I.

BIBLE CLASS IN MAHRAN TOWN

Bible classes here have been going well. The kids listen well and the adults enjoy participating in the question answer time after the lesson. We ask the you would pray for the work here that God would continue to work in the hearts of the people attending and that we would be able to reach others in the area as well. Please continue to pray for the salvation of Mrs. Amir, Lawrence and his family.

BIBLE BAPTIST CHURCH OF MEMON GOTH

Bible Baptist Church has been relocated. The new area is much smaller but sufficient for the number of people. The devil is really attacking this group of people who have come out of idol worship. We built a roof and will need to install solar set up for electricity also a concrete flooring. Pray for salvation of Dheera, Laloo, Ashok and Sumera's family.

Thank you for your support and prayers.

Servants for Christ,

The Jacob Family
