

Papua New Guinea

Gary & Verda Keck

January 2020

Verda and I want to express our deepest gratitude for your investment in our lives as we serve in Papua New Guinea. 2019 we found ourselves on a 7-month furlough traveling over 6,000 miles and reporting to 32 churches so far. I am so honored and privileged to have you diligently praying for us as well as your support for Verda and I to minister in PNG.

We rejoice in the birth of one more grandchild, born to Kenny and Kalie Keck.

Melanie Noelle Keck was born December 22; she weighed 8 lbs 5 oz. We are now grandparents to 12 grandchildren. It was a special blessing for all of us to be together for Christmas. This was an amazing time of encouragement and sharing what God is doing in each of our lives.

We look forward to the new year as we finish up furlough and return to PNG. We are praying and preparing to start a new church plant in a village area called NimNim. The school will also see a new modern classroom built because of generous giving; as well as upkeep on some student housing. This year our Bible institute will graduate seven men and their families for the ministry.

Looking forward to going back to Papua New Guinea in February 2020 and seeing how God will use us to see souls saved, Baptized and trained for His glory.

Thank you for making this year a special year for us.

Received with grateful hearts:
