

Hua

Hua is a word in Hawaiian that means fruit. We all pray that our ministries that God gives us will bear fruit. Like Paul said in I Corinthians it is, "God that giveth the increase." We have been praying that God gives us ripe fruit according to His timing, and praise God we have had our first soul saved this month. This man in our church has been coming for weeks, and started attending our discipleship program. After spending hours answering his questions about God, Jesus, and the Christian life, he accepted Christ as his Savior after a morning service. Please pray for him as he is on vacation with his family the next couple weeks, and that I am able to help him understand Biblical baptism.

October was an exciting month, as we had our first missions conference with two missionaries. It was very encouraging to us to see different ways God has worked in their families and ministries. We are praying that through faith promise giving (a new concept to most of our congregation) we will be able to take on our first missionary by the end of the year.

Please continue to pray for Maluhia and the people of Kailua. This month we are doing various activities around our town to show the love of Christ, and we are praying that people will get saved through this outreach. Also, pray for the various holiday opportunities coming up. We are doing our best to invite and prepare for Veteran's Day, Thanksgiving, and Christmas. Although we are small, we are excited to see what God is going to do this season! Lastly, please pray for our family. Pray for our kids to be flexible, for God to multiply our productivity, and for us to stay encouraged.

Mahalo for praying for Maluhia!
