The big Children's Day celebration in September was a blessing. Several new families, who were invited by church members, brought their children to celebrate the day. What a wonderful opportunity to share God's love with them. Two children and a young couple got saved that day which made the celebration of Children's Day perfect as four precious souls were added to God's family. Please pray for their continued spiritual growth.

In the last couple of months the evangelistic team that witnesses in the city square on Saturdays was able to lead four adults to the Lord. One of the young men has begun attending church and the Wednesday night Bible Study. Please pray for these four souls that God will continue to move in their hearts and guide them to church where they can grow in their new walk with Jesus.

The youth group has begun fund raising for Youth Camp in January. Please pray that they will be able to raise enough funds so that all of the teens that want to go to camp will be able to go. Also, pray that the Lord will begin preparing their hearts to be open and to listen to whatever God has for each one of them. Pray for Miguel, the youth pastor, and the other youth leaders that God will continue to guide them in the youth ministry.

The Seminary graduation is set for November 26th. We are excited that five students will be graduating this year. This is a real accomplishment for them since all the classes are night classes. Most of the students have full time jobs, which makes it difficult for them to make it to class on the buses after work and then make the trip home late at night after class. All of the professors are pastors, pastor's wives or missionaries who sacrifice their time to come and teach the students every week. It is such a privilege to see men and women who grew up in our ministry now teaching and preparing others for the ministry. One of our newest professors was only 4 years old when he started coming to church with his family some 28 years ago. We are so thankful for the sacrifices all of the Seminary students and professors make in order for the Seminary to continue to teach and train men and women to serve our Lord and Savior more effectively. We praise the Lord for the many blessings He continues to bestow on the Seminary. Please keep the Seminary, the students and the professors in your prayers.

It's hard to believe that we are approaching the end of the year. Please be in prayer for all the upcoming activities that are planned, that God will be glorified in each activity and that souls will be reached and that hearts and lives will be changed.

Please continue to pray for God's guidance in our lives as we face some very difficult decisions. Thank you for your faithful prayers and support for all the ministries and souls in Costa Rica.

God Bless You,
