◆ “FOR THEY ARE WHITE ALREADY UNTO HARVEST ...” JOHN 4:35 ◆

July 2020

Dear Pastor House and Corridor Baptist Church,

**PRAISE**

During this pandemic we had to stop services for about 6-7 weeks, then meet in the courtyard of our church for 5 weeks. Still some people were saved! Surprisingly, some people stayed outside our church fence and listened to the messages, they were invited in but chose to stay outside. These were people who would never go to our church before, but listened and some came back the next week and listened again.

Also, the man I left in charge is doing a good job, calling and encouraging people. Some of our church people have visited others and new people and won them to the Lord. Praise God!

**PRAYER**

About three weeks ago a good family in our church got Covid-19 virus. They went to the hospital and had to stay in quarantine for two weeks. During this time we had our outside services and the government said last Sunday we could meet inside our church building again. This family that had the virus was better and we had hoped they would be in the services this last Sunday, but Friday we found out his dad had Corona virus also, and it was complicated with some other illness. He became worse quickly and I am sorry to say he died. This was a shock to all. So, many people who we would have expected to come back to our first church meeting inside our church building did not. And this last Sunday the attendance was lower than it has been in years.

You, no doubt, have also been going through trying times as many churches, but we ask for your prayers for us that the attendance will pick up and we can move through this time and be a greater light than before!

Thank you for your prayers and faithful giving!!
