In Mexico since 1971

August 2020

In July pastor Manuel's grandson Dylan, drove from Atlanta Georgia to Troy Alabama for a Saturday service everything went well. Pastor Manuel is anxious to get to Troy Alabama and get the Spanish work up and moving. He applied for a work permit thru Immigration in Laredo Texas. They told him not until after august 21st. Today, we were told in Acuna that it would be sometime in September.

A husband and wife members of Mt Calvary Baptist Church in Fresnillo Zacatecas Mexico past away with COVID-19. Her first, and then him two weeks later. We are not allowed to have a funeral by federal order they have to be cremated. No one is allowed to see the bodies.

I had a meeting with director Lupe Diaz today concerning school. We've been told that school will start the last week of this month, and that all classes will be via the internet. We still have to buy all the school supplies just like they were going to classes. Our cost will be \$200.00. if you would like to help with this project just mark your offering school supplies.

Our problem is that we have had no internet or telephone all summer. The telephone office is closed and no one will answer the phones, please pray that we can get all of this up and going by school time.

Brethren, thank you for hanging in there with us during this time with your prayers and financial support.
