In Mexico since 1971

November 2020

Pastor Manuel and Tina left Acuna after Sunday morning services. While there we began to pour a cement patio. We are half way thru, and it will become the floor of the church. Because we don't believe in having debt on the ministry, the church building will be paid for when we finish.

Independent Baptist church Acuna decided to have two church services on Sunday. Our attendance has returned to about half of normal. We have had one saved, one baptized, and five little one's dedicated to the Lord. Pray with us that the authorities will not find out and close the church.

Lighthouse Baptist church Acuna has one mission nearby. This is the mission that the husband and wife developed COVID-19. We will not reopen this mission.

The kids in the children's home are getting excited about Christmas. We are getting Christmas list every day. If you would like to help with Christmas please send your offering the Del Rio address, or send in our name to BBFI missions office.

As always, thank you for your prayerful and financial support, and confidence in our ministry.

For Souls in Mexico
