Wow, can you believe the end of this year is right around the corner? What a year this has been!! As I think about the promises fulfilled and the many prayers answered this past year it gives me hope for the coming year. God is so good!

As I reflect back on the events of 2020, I see God's loving, protecting, guiding hand in my life and the lives of my family. Losing my Randy is the hardest thing I have ever been through but I can see and feel God's hand in all of it. As a family, we were so blessed to be able to be with him, holding his hands, kissing him, talking to him and praying with him both physically and on the phone as he ended his earthly journey and stepped into heaven to be with Jesus. We miss him terribly but are so very thankful for the sweet memories God has given us of our lives spent together with this loving Christian man that had such a passionate love for his family, his God and the lost.

This global pandemic has made so many things extremely difficult, especially for churches trying to spread the Gospel. Through all of this we have seen God's hand moving in lives and hearts. I was so excited to hear from Marco Chaverría, the national pastor of our first church in Coronado, Costa Rica. He sent me a message telling me that they had 10 new visitors several weeks ago, one of those being a family of 5 that joined the church the following week. They've also had 4 salvations and several baptisms. God is still in control and His Holy Spirit is still moving and changing lives!

The Seminary has continued to have classes via Zoom. This year they had over 50 students, including 21 students in Panama! They have also been able to have a couple of seminars for the students using Zoom. They just concluded this school year and are planning the classes for next year, which will begin in February. Please be in prayer for the professors and students.

I have been blessed to be able to attend some of the women's meetings on Zoom as well as watching the Sunday messages from the different churches. It's not the same as being there with them, but it is wonderful to see their faces, hear their voices and listen to God's Word preached in Spanish again. It makes me feel a little more connected to them. I am extremely thankful for the technology that makes it possible to connect with so many people, for the blessing to be able to have prayer meetings, bible studies, church services and even just a time of fellowship together.

Please continue to be in prayer for the Ciudad Colón church and pastor Pablo Santamaría as they begin searching for a new place to begin meeting for church services. We are praying for God's guidance to the perfect place.

My prayer is that God blesses each and every one of you this coming year for your faithfulness to Him. Thank you for your faithful prayers for me this past year.

God Bless You,

*Sandy*
