

Pastor,

A very happy LORD'S Day to you all there!

All glory, praise, and honor to our LORD GOD for the blessed work HE is doing in the churches here!!! Today we were so blessed to have two saved at the Daya Bible Baptist Church.

We had been praying for 3<sup>rd</sup> year junior high school student, Jessica Dai, to be saved for a couple of years. Her mother, Nancy, had been saved and baptized at this church a couple of years ago and has been faithfully bringing her daughter and young son, Kai-Kai, to church every Sunday. I believed that the LORD wanted me to talk with Jessica again about her salvation today. After opening the Bible once again and sharing the Gospel message to Jessica, she was still shy to talk. See even covered her eyes up with her facemask. I prayed with her and asked the young lady personal worker, Kim Chun, that was with her to stay and talk with Jessica if she wanted to. They continued for quite some time. Later I learned that Jessica had covered her eyes because she was crying. Praise GOD that Jessica trusted CHRIST as her SAVIOUR this LORD'S Day!!!

We had been praying for Tong Pae Eeng to be saved for several weeks. We had shared the Gospel of Christ with her several weeks before, and she was almost, but not completely ready to be saved. As the Gospel was new to her, I did not want her to feel pressured by me to make a decision. After the morning service today she was talking to one of our faithful young ladies, Leah Chun, when she asked if she could pray to be saved today. Terri and Leah then went to speak with Ms Tong more privately. Shortly thereafter Terri said that Ms Tong prayed a very good and clear prayer for the LORD to save her. Glory to our LORD for the answer to prayers and for the work HE has done in the life of this lady!!!

Recently two young men of the Daya church to finished a Bible Study book that GOD used to make a great impact on their lives! I was blessed to mentor them both through this Bible Study. I've also been blessed to mentor another two brothers in Christ through basic lessons of Bible Discipleship. Glory to our LORD for those who have been growing spiritually through the ministry of this church.

Thank you so very much for praying for the soul winning and ministries of the churches here. Please pray with us for GOD to bless us with more laborers for the ministry at these churches and for the many places that do not have a Biblical church.

Thank you for praying for our finances! We have been blessed of the LORD by two others who want to help us with the need of a vehicle!!!

May our LORD GOD greatly bless your LORD'S Day there!
