

Malihini

Malihini is a Hawaiian word that means newcomer or visitor. For the past two months, we have seen people in our community not only looking for a church home, but a church home that is consistently having services. Many churches in our area are still having modified services due to Covid restrictions and changed locations so we have seen several visitors through the weeks. We are praying for each one, and making sure that they hear the Gospel while they are with us.

May is always a busy month as we start to get summer activities rolling, but for us, it was also emotional as Anna graduated kindergarten. It has been an amazing year watching her grow and start to help and be excited about the ministry. This June we began a Men's Bible Study, and we are praying that God uses it to strengthen our men's relationships with Him and each other, and to bring visitors that might not be interested in an actual church service.

With restrictions finally lifting more in our state, please pray for our upcoming outreaches this summer. Please pray for each one of these to do it's part in producing the fruit of people being saved and added to the church: Men and Women Bible studies, School Supply Drive, Door Hangers, Tent Outreach, and our Open House on August 29. God has brought us some amazing people the past couple months, and we're excited to see them get plugged in and involved in the ministry here. Also, mahalo for remembering our family in prayer, and we appreciate the time you take out to stay updated on us here in Kailua.
