May, June, July, August & September 2021

It's hard to believe that it is almost September! This year has been a busy one.

I was blessed to be able to help in the Vacation Bible School here in Farmington the last week of June. I am also thankful to be working once a month in the Children's Church and every Sunday night with the Mission Friends class for the 3 year olds through 6 year olds. We have a group of very energetic boys, but they are a lot of fun and it even gives me a chance to use my Spanish sometimes.

Marco Chavarría, the pastor of our first church in Coronado and director of the Seminary, called me this week. He wanted to share how excited he is with the plans they are making to celebrate the 50th anniversary of the Seminary. Missionary Jeff Meek started the Seminary in 1971 and Randy took it over in 1993 when Bro. Meek became ill. Bro. Meek would be so blessed to know that it is still in existence today. Randy had such a great dedication and passion for seeing young men and women trained to teach and preach and establish churches for the Lord. I am so thankful that their legacy is continuing on through the lives of these national pastors and professors. This semester there are over 60 students enrolled in the online Seminary classes; students from all over Costa Rica and Panama. They are still not able to do in person classes due to Covid restrictions. I am so thankful for the hard working professors and students and the blessing of the internet so the students can continue their Seminary classes. Several students are planning to graduate this year in November.

August 15th is Mother's Day in Costa Rica. It is a national holiday and the churches usually have a big celebration. This is a chance for the people to invite visitors to hear the Gospel, most of them for the first time. The Coronado church had more than 50 mothers in attendance for their Mother's Day celebration, 8 of them were first time visitors! Please be in prayer for these unsaved women and their families that God will open their hearts to the Gospel.

The Ciudad Colón church has also been blessed to have several visitors in the last few months. They are still limited by Covid restrictions to keep their services to a minimum number because of the small size of their building. Please continue to be in prayer that they will be able to find a larger building to rent so they can have more people in attendance.

Thank you for your continued concern and prayers for the Seminary in Calle Blancos and the two churches in Coronado and Ciudad Colón.

God Bless You

Sandy Roberts
