

Ulu 'Ana

The Hawaiian word Ulu 'Ana means "growth." Whether physical, mental, or spiritual, this word covers each meaning. Here at Maluhia Baptist Church, God has been blessing us. Our church has been growing, and the people in it have been growing personally as well.

Praise the Lord, in September, we had a baptismal service at Kailua beach. A teenager in our church, after being saved, was excited to follow the Lord in obedience, and we were able to be a good witness and invite people watching on the beach to our services. We have also seen several of our regular attenders starting to invite others and be concerned about spiritual matters.

October brought a focus onto world wide missions. We talked about the missionaries that have visited our church in the past, and how we can be involved personally in their ministry. Many of our church ohana are fairly new to our congregation, so it was exciting to teach them about Faith Promise Missions and be able to take on a new missionary last month.

Covid restrictions are still stronger here than other parts of the country, so that has made us be more creative in outreach. We were able to get advertisement space on every receipt at a local Safeway, putting our church signs out every weekend, gave treats, tracts, and Bibles to our first responders, and have continued our Ladies Bible Study. We are praying that our state lifts restrictions soon so that we can start taking our church ohana out door knocking and visitation.

Mahalo for praying for Maluhia Baptist Church. Please continue to pray for us to have the right place to meet once our lease is over in October. Also, praise the Lord, Thomas' kidneys are getting better every appointment, but continue to be a prayer request. Lastly, keep praying for our family and our church family.
