In Mexico since 1971

January 2022

All of us at lighthouse ministry Mexico thank you for your generous offerings at Christmas the lord has always touched your hearts to help us at this time of the year.

In the middle of December, The Mexican weather bureau told us that high winds, freezing rain, and snow was on the way. People began to wrap pipes, and tape up windows. The next day, it was 85 deg with sunshine. We were able to continue with construction.

On the first Saturday in January a very high wind developed and blew over 10 feet of wall that we had just installed. It all has to be done over again.

To add insult to injury our first contractor made the steps of the stairwell up to the second floor to tall. The elderly could not climb them. Therefore, we had to cut down each step in half.

Our attendance in all of our missions is down due to sickness and cold weather.

As always, thank you for your prayerful, financial support, and confidence in our ministry.

For Souls in Mexico
