

MEDEIROS FAMILY

Hau 'oli Makahiki Hou

Happy New Year! 2022 comes with much anticipation. God has been working at Maluhia Baptist Church, and we have started off the year with several events and involvement opportunities for our church Ohana.

In January, our church was excited for Vision Sunday. With our new theme "Planted", I am focusing on allowing God's Word to take root in our lives and how we can bear fruit. We had a great turn out, and we were able to equip our people with devotionals or journals to help them with their walk with God.

In February, we had several new events scheduled that our church enjoyed. For Valentines' Day, we had childcare for couples in our church that have not been on a date in a very long time. We also had our first Church Connect, where we had lunch after a morning service for people to get to know each other more. Lastly, we ended the month with our very first "Friend Day." It was very exciting to see people invite their friends, neighbors, and coworkers and many of the keiki in our church invited many of their friends. It was encouraging to see them grow and share Jesus with people they know. All of these events have helped our church ohana grow more as a community, and encourage each other to grow closer to Christ.

Please pray for our family's health and to stay healthy- Anna and Sarah had Covid at the beginning of February and it was very hard with Covid and ministry. Also, pray for our church building situation- we would love to be able to stay where we are, exactly how it is, but our rent will be going up, and we are praying for God's will. Lastly, pray for our church. We have been praying for our church ohana to grow spiritually, and we have been seeing little changes in several lives.

Mahalo for your love and friendship to our family!
