In November the Seminary celebrated graduation and 50 years since missionary Jeff Meek started the Seminary. What a blessing for Randy to be able to take up the reins in 1993 and continue the work of teaching and training pastors and workers for the work of God. I am so thankful for the national pastors and professors who have as much of a passion for this ministry as Bro. Meek and Randy did. They have stepped in and kept the Seminary going despite all the complications from government restraints due to Covid. The 1st semester of classes starts February 14 and ends June 23. They will be holding in person classes and will also be transmitting the classes via Zoom for those students in Panama and other outlying areas. There are a total of seven professors this year. They estimate the number of students should be around 65 but won't know for sure until registration closes on the 13 of February. Please be in prayer for the students, professors and the Seminary in general.

The Coronado church started Youth Camp this week with 12 teens in attendance including 2 unsaved teens. The Ciudad Colon church won't go to youth camp until the last week of February. Please pray for the teens and counselors that lives will be changed during these camps.

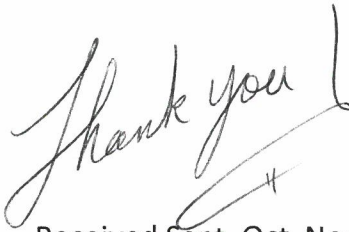

This year Vacation Bible School will be on Saturday and Sunday for the first three weekends of February in the Coronado church. This is the fifth year they have done it this way and it works out very well because they are able to have working people involved. The Ciudad Colon church is still renting a building on Sundays so they will be having their VBS every Sunday of February. Marielos is excited about the number of volunteers that want to get involved. Please pray for the Vacation Bible School ministries.

Praising the Lord for the 35 souls that were saved and the 22 baptisms during the last 6 months of 2021!

Thank you for your continued prayers for me and my family. Our hearts desire still is to have a memorial service for Randy in Costa Rica with the people he loved so much and who loved him. Our prayer is that we will be able to do that this year as a family.

God Bless You

Sandy Roberts
