Ha'ina

Hawaiian words can be quite complicated in the way that so many of them have multiple meanings. The word ha'ina can mean to break, to reject, but it can also mean to tell or declare. These past couple months have been very exciting for our church. With Easter being a highlight of our spring season, and Covid policies slowly disappearing, many people in our church ohana were ready to reach our community with the Gospel. Many homes in Kailua have no access or are gated, so we were able to mail out over 3,000 EDDMs. Along with that, over the past 6 weeks, our little church was able to directly deliver invitations to almost 1,000 doors. Praise the Lord for the soul winning excitement and the concern for other's eternity that He is cultivating in our people.

March and April have been busy but rewarding. We have seen God bless our church not only in numbers, but in seeing spiritual growth in our regular attenders. We have seen some take a step in church membership, individuals asking if they can do outreach, and several volunteering for different aspects of church ministry needs. Praise the Lord for encouragement during this church planting season of our lives.

If you could continue to pray for several things at Maluhia Baptist Church, we would appreciate it. 1. With our building lease done later this year, we are praying very hard about where God wants our location. There are different options to stay at our same location, but we also want to explore the possibilities that God might have a better home for MBC. 2. Please pray for us as we grow. It has been exciting to see God work, but there are several moving parts of the church that, as we grow, are getting harder for Sarah and I to do on our own. We have been praying for quite some time for God to send someone or a family to help Maluhia Baptist Church, and we are seeing that we need it more and more every week. And lastly, 3. Pray for Kailua, there are so many people that need Christ- from military to locals, and sometimes the thought can be daunting. Pray for the souls of Kailua to be receptive to the Gospel, and pray for us to have wisdom as we witness to those in our community. Mahalo for your friendship and prayer!
