July 2022

Due to COVID, Russian invasion, and the heat, our attendance in all of our missions is down. Across the board I would say that we only have half of the attendance that we once had. On top of all that summer vacations have hit us hard. Our attendance will start back up as school begins.

We have used all of our construction funds. We will start again as the LORD supplies. We must finish rebuilding the steps, before we can start roof. Please pray with us that the LORD will supply the needed funds to finish construction on the building. Thank you for the donations for construction. You would not believe how the cost of material has increased this summer, if it is available at all.

We have set vacation bible school for the last of July. Pastor Manuel has found someone who will allow us to use his covered patio.

School starts August 15. We have two in college, one in elementary school, and two in high school. We are going to have to buy new uniforms, shoes, and pay tuition. We have no idea what the cost will be. I am asking for a (call to prayer) for the financial needs of our ministry.

Thank you for your prayers, financial support, and confidence in our ministry.
