May, June, July & August 2022

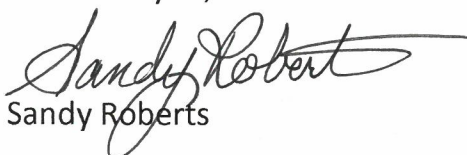

Our first church in Coronado celebrated their 28<sup>th</sup> Anniversary in April! They had a great celebration with guest speakers and lots of visitors. I cannot believe it has been that long since Randy & I started that little church in that rented old wooden house with the three of us and three other American friends. God blessed the work, and it began to grow. Then God performed a miracle, and we were able to purchase the property at an unbelievable price. We quickly outgrew that little house and added a new auditorium. It was only a short time until we outgrew that space; so, Randy doubled the size of the auditorium and added 2 new bathrooms. Since that time the national pastor has added 4 classrooms, 2 handicap bathrooms, handicap ramps, a sound booth and redone the front pulpit area. God has truly blessed the church and I am so thankful that He used us to help so many people come to know Him as their savior and that He has blessed the work with such a faithful national pastor as Marco Chavarria. They have been blessed with 20 salvations & 7 baptisms and 14 new members in the last few months.

Our second church in Ciudad Colon celebrated their 13<sup>th</sup> Anniversary in April! They had a great celebration with over 50 people in attendance which was very crowded. Please pray for Pastor Pablo Santamaria and the congregation as they look for a bigger place to meet. In the last few months, they have had 5 salvations & 4 baptisms. Just think what might happen if they had a bigger place to meet.

The Seminary is doing very well. They have been using Zoom to reach students in Panama, Columbia, Mexico, Guatemala, Dominican Republic and some outlying areas of Costa Rica. They have also been able to have several seminars this semester. One on discipleship, one on missions & another one on evangelism. The 1<sup>st</sup> semester ends June 28<sup>th</sup> so the students and professors are preparing for final exams. Second semester starts the middle of July. Four students will hopefully graduate the end of November. Please be in prayer for them.

Thank you for your continued prayers for me and for the works in Costa Rica.

God bless you,

  
Sandy Roberts

Thank you for your continued support.
